

Integral Evofire MR11 IP65 Fire Rated Downlights

**Product Code:** ILDLFR45D03***Stock Qty:**

Product Description

Integral Evofire MR11 IP65 fire rated downlights that offer a more minimal design than the usual GU10 MR16 size. With a small diameter of 64mm and 45mm cut out size.

Finally a leading manufacturer has produced a smaller downlight with the option to replace the lamp. Requires an additional LED lamp such as the Integral MR11 GU10 which is dimmable and available in a choice of colour temperatures and have light outputs of 290-300 lumens. Part of the popular Integral EvoFire downlights series, these smaller fire rated downlights also require an additional lampholder. With GU10 or MR16 holders available. GU10 operates on mains voltage while MR16 is low voltage.
