

Collingwood H2 Pro Lumen & CCT Switchable Fire Rated Downlight

**Product Code:** DLE5245500***Stock Qty:** 0

Product Description

Collingwood H2 Pro lumen & CCT (Correlated Colour Temperature) switchable LED downlights. Representing another leap forward within the lighting industry, these downlights allow you to switch the brightness from 5W at 550 lumens, to 7W at 850 lumens. Providing a medium level light output and a higher level light output in one.

The colour temperature switch allows you to switch between 2700K, 3000K and 4000K, the new Collingwood H2 Pro is essentially 6 downlights in 1. With its detachable bezels, this is the Swiss army knife of recessed LED downlights.

With many other stand out features that you'd expect from this premium lighting brand which include a fire rating, I-Joist approval and its insulation coverable. Its supplied with a push fit wiring connector and is just 49mm in depth. Its also dimmable and comes with a 7 year warranty, making it the most comprehensive LED downlight on the market.
